Hinged Doors

472 Series

The Westal 472 Hinged Door is designed with style and security in mind

Make an impressive entrance with a Westal Hinged Door. Our hinged doors are designed to be sturdy and functional, making them an attractive choice for main entryways, balconies, exterior laundry room doors and commercial applications.

The Westal Hinged Door is the perfect low maintenance alternative to a timber entry or sliding doors.

Hinged Doors

472 Series

Features

- ✓ Choice of 102mm or 125mm frame (125mm frame accepts all types of screen doors without the need for an add-on build-out).
- ✓ Perimeter seals provide an effective barrier to wind and rain.
- ✓ The door leaf features a chamfered exterior profile for added style and reduced build-up of dust (compared to a flat profile).
- ✓ Optional sidelights and highlights.
- ✓ Colonial and Hamptons style glazing bar designs possible.
- ✓ Optional multi-point lever compression lock offers superior security while ensuring optimal compression between the door and weather seals.

SS Swan Handle

The Westal Hinged Door configurations include an expansive set of double doors or the economy of a single door. Both can be combined with fixed side lights or overhead high lights to complete your entrance.

Westal prides itself on our ability to combine quality hardware with the uncompromising strength of heavy-duty aluminium profiles to ensure you enjoy consistent long-term performance for years to come.

Please ask our Westal Product specialist about our Double Glazed 472 Hinged Door.

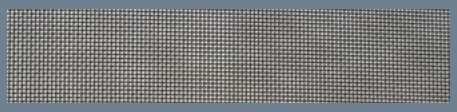
Screens

Fly Screens

Flyscreens are a practical and affordable way to cover the open area of your windows and doors, helping to keep your home free from flies and other insects. Our flyscreens are constructed using an extruded aluminium frame and standard fibreglass mesh.

Barrier Screens

Barrier screens offer an economical, intermediate level of security for your home. Our barrier screens feature black Armagrille (diamondshaped, aluminium grille), fibreglass mesh and aluminium frame and comply with the Building Code of Australia - Protection of Openable Windows requirements.



Crimsafe Screens

The integral high-tensile, stainless steel mesh of Crimsafe screens provide a superior level of safety and security to your windows and doors. They are discreet in appearance ensuring your views are unhindered and comply with the Building Code of Australia - Protection of Openable Windows requirements.
